

HOOF+

To Assist with Hoof, Coat & Joint Health.

HOOF CARE

HEALTHY COAT

JOINT SUPPORT

1Equine Hoof+ is a highly palatable pellet supplement with a blend of carefully selected probiotics to support hoof, joint and coat health from the inside out. Hoof+ is designed to maximise the bioavailability of vitamins, minerals, and additional nutrients in this blend. It may assist with hoof integrity, reducing joint and cartilage inflammation, and skin and coat health.
